

1 User Interactions:

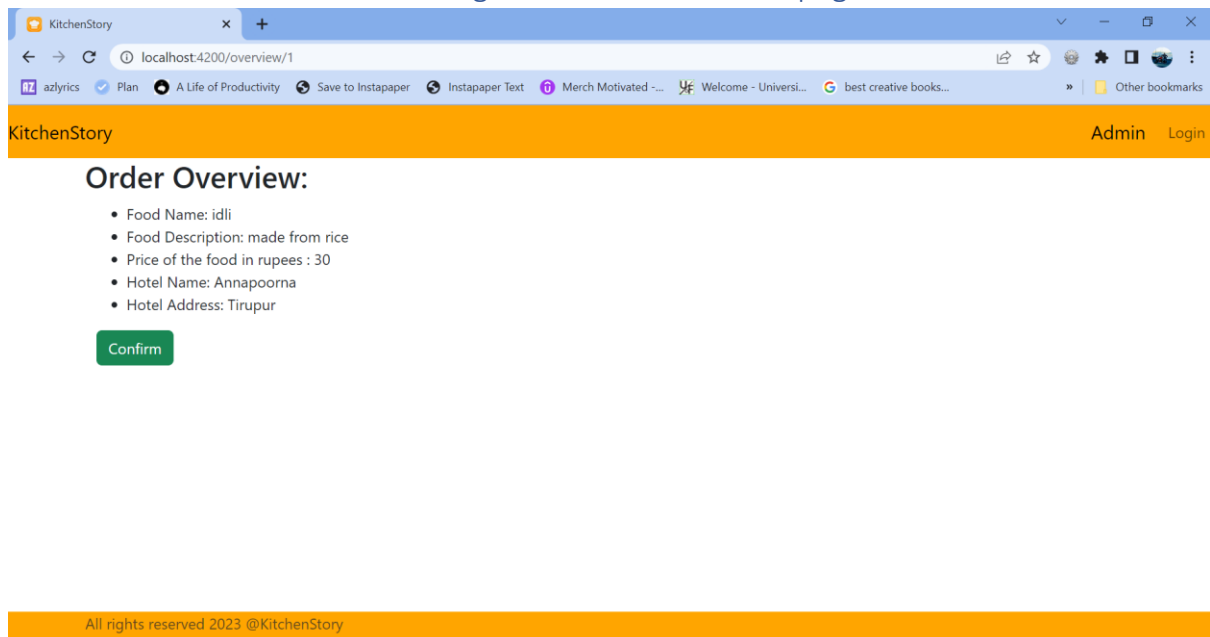

1.1 User screen:

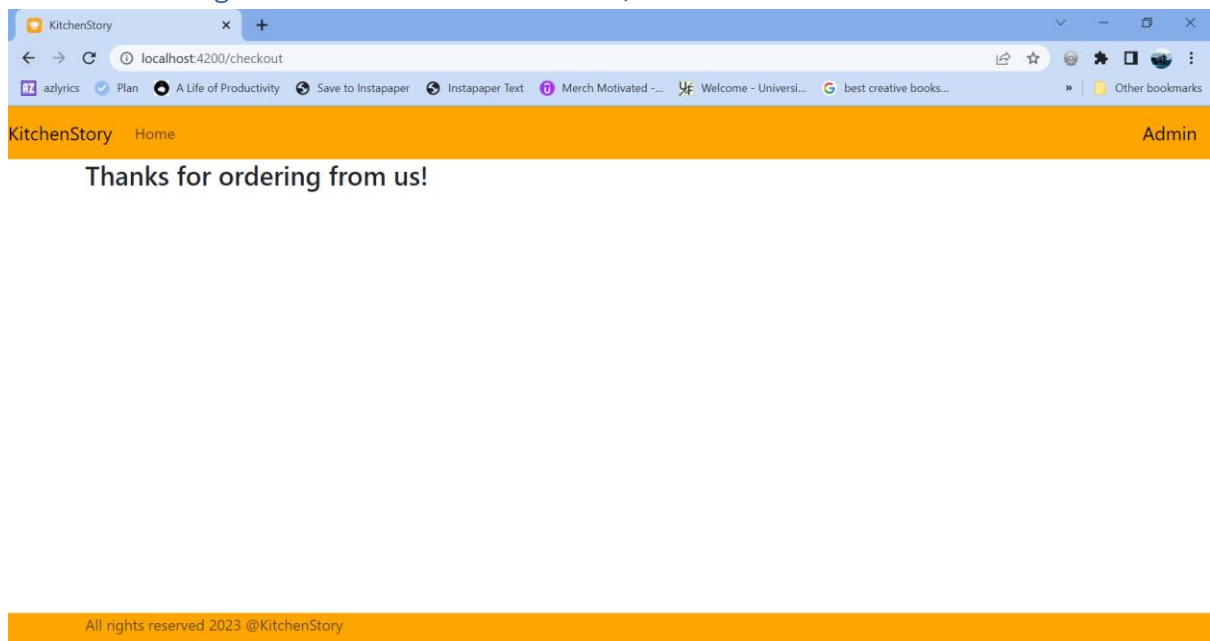

1.2 User searches “Idli” food item:

1.3 User selects the id 1: which goes into the overview page:

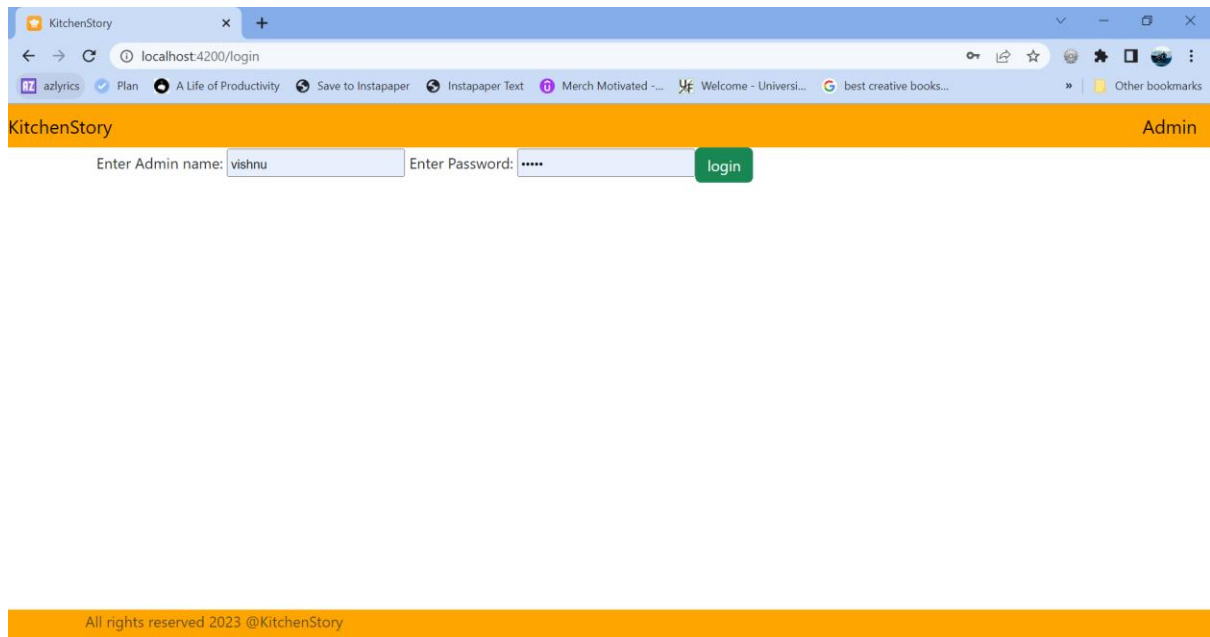

1.4 When User clicks confirm button: Goes to checkout page: Now User can click Home to go back to the localhost:4200/

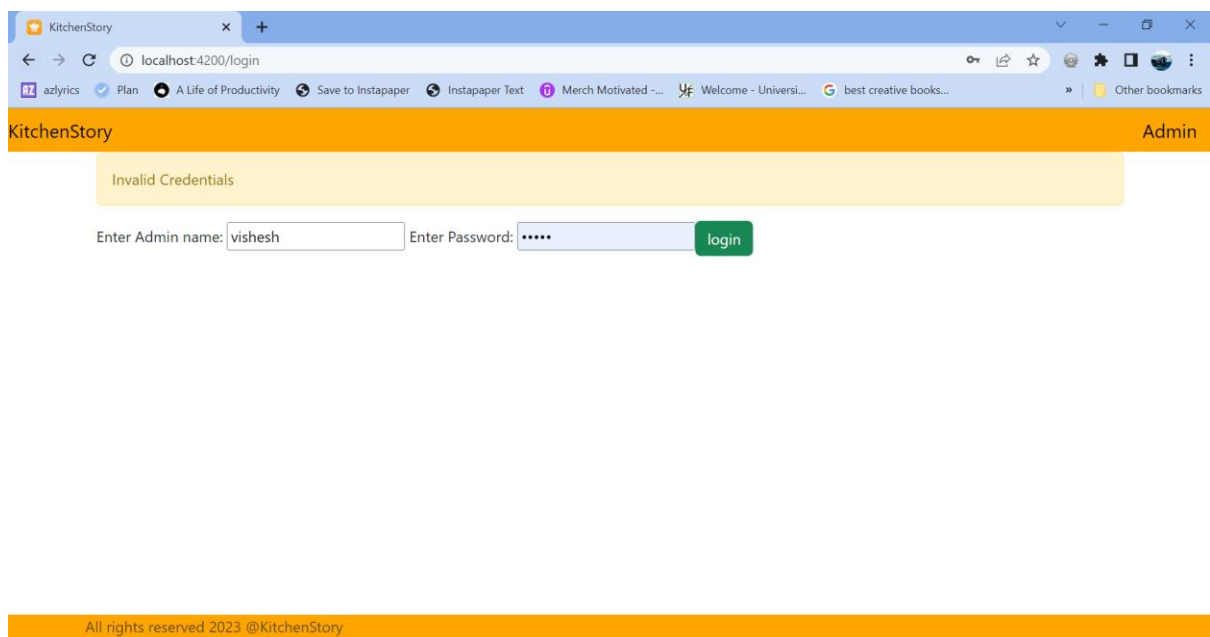

2 Admin interactions:

2.1 Admin Login page: Admin can click Admin tab on the right side of the nav bar. Or use URL - /admin

The screenshot shows a web browser window with the address bar at localhost:4200/login. The page has an orange header with 'KitchenStory' on the left and 'Admin' on the right. Below the header, there are two input fields: 'Enter Admin name:' with the value 'vishnu' and 'Enter Password:' with masked characters '.....'. A green 'login' button is to the right of the password field. The footer is orange and contains the text 'All rights reserved 2023 @KitchenStory'.

2.2 User validation:

The screenshot shows the same web browser window as before, but with an error message. A yellow banner at the top of the main content area displays the text 'Invalid Credentials'. The input fields now show 'vishesh' in the 'Enter Admin name:' field and '.....' in the 'Enter Password:' field. The green 'login' button remains. The footer is orange and contains the text 'All rights reserved 2023 @KitchenStory'.

2.3 Once User enters the home screen,

1. Ability to add a food item directly in the home page
2. Admin can click All Foods tab on the nav-bar to go to inventory page

The screenshot shows the KitchenStory Admin console. The browser address bar is localhost:4200/home/vishnu. The navigation bar has 'KitchenStory', 'Home', and 'All foods' links, with 'Admin' and 'Logout' on the right. The main heading is 'Welcome vishnu to KitchenStory Admin console!'. Below it are several form fields for adding a new food item: 'Enter id:' (1), 'Enter Food Name:' (idli), 'Enter Food Description:' (made from rice), 'Enter Date:' (Thu Feb 09 2023 15:54:36 GMT+0530 (India Standard Time)), 'Enter Food Price:' (50), 'Enter Hotel Name:' (Annapoorna), and 'Enter Hotel Address:' (Tirupur). A green 'Add' button is at the bottom left of the form. The footer says 'All rights reserved 2023 @KitchenStory'.

2.4 Inventory page:

The screenshot shows the KitchenStory Inventory page. The browser address bar is localhost:4200/inventory. The navigation bar is the same as the previous page. The main heading is 'List of foods:'. Below it is a table with 7 columns: id, Food Name, Food Description, Price, Date, Hotel Name, and Hotel Address. There are three rows of food items, each with an 'Update' button. Below the table is a form for deleting a food item with the label 'Enter id to delete:' and a 'Delete' button. The footer says 'All rights reserved 2023 @KitchenStory'.
